Description

ELA Soundness Policy: Covered

Octavia is a sweet natured mare. She's had 1 foal in the past, and is a grade mare to my knowledge. She's got great hard feet, and is decent for the farrier. She bathes and ties and loads right up in a trailer and hauls dead quiet. She's super smooth to ride and has a lot of potential as a jumping prospect. Good on trails and in the arena walk trot lope. No buck rear kick or bite. She stands for bathes and enjoys attention. She's an alpha mare in the herd but not a savage after other horses knows whose boss. She saddles nicely and prefers a hackamore or bozal. She's slightly hard to bridal because she doesn't like her lips touched but it's not impossible. She's currently being road in a side cheek snaffle bit.
