Description

ELA Soundness Policy: Covered

Larry is a 12 yr old 14.1h stout built grade appy gelding . Not only is he adorable he is a sweetheart to be around. He loves to be bathed and groomed on . He recently has been used mainly for trails. He is a point and go type of guy . He is good in a group or out alone . He is good sure footed and goes anywhere he is pointed . Crossed bridges, through water nothing stops him . He was started right at one point in his life he does has a good handle and will walk trot and lope in the arena . Has a good stop . Does need a refresher in that department. Can sit for long periods of time and ride off the same . He is good with his feet and just super easy to be around in any environment. He is good to pasture with other horses. This winter he was our yearlings pasture buddy and lost his tail being a nice guy ! (they ate his tail) but don't let that turn your head! It's only hair! He takes everything you throw at him . The first time we roped on him was in the middle of the pasture and he did not care! He would be best suited for an intermediate rider and up only due to the fact he needs someone to direct him . He has had supervised kid rides and he loves it ! He is the perfect size and lovable teddy bear just looking for his loving home. Hope someone can fall in love with him like we did! He's just ready for his next partner in crime! Larry was offered last month but had to be pulled due to an abscess. He is all healed up and ready to go home with you!
