Description

ELA Soundness Policy: Covered

RAPPIN DUAL - 2013 Chestnut Gelding Here's a horse with the right moves and right mind. "Rusty" is an 8 year old gelding that has been used on a large cattle ranch in SE Oregon. Well bred for the arena and well experienced for the ranch. By of a son of High Brow Cat and out of a daughter of Dual Rey! A gentle, good minded horse, "Rusty". Is in his prime and will fit most anyone looking for a horse for the ranch, arena or trails. This horse had a late start to his career and because of that still has some green spots. With that said, his willingness, good mind and gentle nature has allowed me to go do any job needed. "Rusty" has seen the branding trap, sorting gate, And gathered big country. Take him and use him on the ranch and he's a great prospect for the heeler, breakaway roper, trail rider and kids horse! Any questions please call Tom at (541) 207-8490
