Description

ELA Soundness Policy: Covered

Gypsy Justice 2010 ApHc Black based fewspot leopard broodmare. She has been vet confirmed in foal to an ApHc stallion Mighty Awesome IM. Halter broke, trailers great, good to be around when she foals, has had 3 black blanketed foals for us. She is 5 panel n/n, she is homozygous for appaloosa characteristics, tested LP/LP Patn1/n, selling due to severe drought in our area, she sells with the ELA soundness Policy, I think she would be easy enough to start under saddle as well, 541-219-1233 with any questions.
