Description

ELA Soundness Policy: Covered

Sonia is willing to please. Big and will grow into a stout painted lady. We have put 30 days riding on her, taking her out on trails and to the mountains. She is already sure footed and willing to go any direction you point her. She'll need more time to mature but has a good foundation to go any direction. Finish her the way that you want. Call 1-509-831-9489 with any questions.
