Description

ELA Soundness Policy: As Is

Neveah is a solid, smart, and young 8 year old grade Tennessee Walking horse mare standing at about 15.3hh. She's a flashy and sassy horse with a smooth natural gait! She has great solid feet which can take you anywhere without having to wear shoes. Comes to you when called with an in your pocket personality! More go than woah, but has a quick stop when asked. Stands great for the farrier, loads perfect onto a small straight load or an open stock trailer, blankets, and bathes well. She's been kept with mares, geldings, cows, and been around goats, pigs, chickens and dogs and has gotten along with all. She has been ground drove while pulling tires, you can ride her bareback with just a halter, hobble her, throw ropes off her, take her for long rides up in the mountains or ride her in the arena around obstacles without her getting bored. She's still a bit green so her downfall is she'll give you a bit of attitude if you let her sit for a month in the pasture. Will have an up to date coggins test at time of sale. UTD on vaccinations.
