ELA Soundness Policy: Covered

Docs Autumn Hickory aka Soda Pop is a 3yr old bay mare that has had 180 days of professional training as well as multiple rides outside. She has been started on a cow. She rides good in the pasture and on the trails. 100% sound. Bathes and stands great for the farrier. She has several great horses on her pedigree - Smart Little Lena, Autumn Boon, Docs Hickory, Dual Pep and Royal Blue Boon. She is fun to ride and be around. She would make an excellent broodmare as well. Call 817-760-1097 with any questions.
