Boomer FANCY in every way! He is fancy broke, fancy bred, and fancy to look at! He is an own son of Pale Face Dunnit LTE \$72,000 and producer of over \$2.2 Million. His Dam is a daughter Extra Dry Chex. He has the best personality, loves attention, meets you at the gate and is a blast to ride. He is a trained reiner, slides, spins, lead changes and is gentle. Boomer rides just as good out side gathering cattle, down the trail, or out in the meadow as he does in the arena. He goes everywhere you ask; through the creeks, over downfall, bridges, the teeter-totter and will ride out alone or in a group. He has been started roping the hot heels and has roped some live cattle in the pasture. Boomer has the ability to do anything you want to do with him. He is quiet minded, athletic and has a willing to please attitude. Boomer is the go-to gelding around here and everyone is everyone's favorite. I can not say enough good things about him he does everything we ask him to, when we ask and how we ask. He rides by the highway, we have ridden up and down steep hills, bounce and push the ball all over the arena, and he is gorgeous carrying the flag. Boomer gets noticed everywhere he goes he has good bone and foot, a ton of shape a long mane, cute headed and is buckskin to boot. Boomer stands 15H is good to shoe, bath, loads and hauls great, ties without a fuss and is good in a stall or out with other horses. Check out his video and come meet him at the sale.
