ELA Soundness Policy: Covered

Rosie is an awesome little mare, who is a blast to ride on trails. Loves the water, will cross creeks, and go in chest deep water fine. She leads, ties, loads, bathes, fly sprays, can be ponied off the quad, gets along well with other horses, and lives with cows no problem. She would be best for an intermediate rider as she has a lot of go to her. She's never offered to buck/bolt/kick/bite etc., but does tend to move around when you first go to get on. Overall she is a great little mare that someone could have a lot of fun with. If you have any questions about Rosie, please message Tony at tony_lusk1@aol.com
