ELA Soundness Policy Covered

Breed No

Story Falcon is a 9 year old bay Morgan/AQHA grade gelding. He's 15.2h, and thick at about +1250lbs. Walk, trot, lope, stop, and backup is solid. He respects Hotwire fence. Easy keeper and keeps a clean stall. He loves to be pampered and groomed and is a ...

Description
ELA Soundness Policy: Covered

Falcon is a 9 year old bay Morgan/AQHA grade gelding. He's 15.2h, and thick at about +1250lbs. Walk, trot, lope, stop, and backup is solid. He respects Hotwire fence. Easy keeper and keeps a clean stall. He loves to be pampered and groomed and is a stall baby. He is UTD on shots, teeth were done in Spring 2020, has had multiple chiropractor and nebulizer appointments (regular treatment for our horses). His feet are UTD, will stand quietly for trims/shoes. Loads in the trailer without a problem and hauls quiet. He bathes, ties, cross-ties, no buck, no bite, no kick. He's not food aggressive and pastures well with other horses. He has been used as a weaning horse for our stud colt. He will carry any intermediate/confident rider in the arena and any skill level down the trail. We've also had some beginners on him with success. He is your ultimate trail horse. He loves being outside exploring the wilderness and would excel in endurance/big game packing/hunting. He's been on many trail rides and the beach. He will go through and over just about anything. He will also arena ride and he's been started on liberty. He's been started on barrels and has been hauled to jackpots and competed on once however he still needs training consistency for gaming events. He handles the warm up pen well and behaves. He could further training in any direction. He has action and could be trained to be an open show horse. He would excel in ranch riding, trail riding, 4H, endurance, western show, western dressage, all English, eventing, jumping etc. He sells sound.

Quantity: 1
