ELA Soundness Policy Covered

Breed: No

Story Gracie – 7 y.o., 13.3h, 900 lbs . Sound, no vice, pinto mare. Up to date, and stands quietly for shots and wormer, teeth, baths and shoes. Easy to haul, stands tied for extended periods of time. No pull back. Loves to be groomed and fussed with. Easy to catch, especially with a treat. Unflappable. She has been harnessed ...

Description

ELA Soundness Policy: Covered

Gracie – 7 y.o., 13.3h, 900 lbs . Sound, no vice, pinto mare. Up to date, and stands quietly for shots and wormer, teeth, baths and shoes. Easy to haul, stands tied for extended periods of time. No pull back. Loves to be groomed and fussed with. Easy to catch, especially with a treat. Unflappable. She has been harnessed and worked a bit with a cart with no issues. With just a rope tied to the saddle horn she has easily pulled a feedsack full of weights behind her. On the trail she takes new experiences in stride, whether a bridge, ditch, steep terrain, brush etc. Good on the trail, crosses bridge, walks over logs, ditches and brush; handles varied terrain well. Been to the beach. Good lead line or will pony with kids. Not a beginner pony though, will go if told accidentally. I have ridden her with just a halter and rope in the arena and on my backyard trail. Lunges well. Ends her ride with a deep bow! Have your carrots ready. Under saddle she has a nice walk, forward or slow, nice jog trot or a ground covering working trot. Her canter is solid, but could use some work to develop a nice slow lope which I have gotten from her on occasion. Leg yields, sidepass, turn on haunch and forehand. She enjoys working patterns with cones and learns them quickly. I am selling her because I need a very quiet older babysitter type for my grandchildren. With trainer Morgan Wagner. You may call her at 541-829-9445 with questions.
