Description

ELA Soundness Policy: Covered

Nevaeh is a one of a kind mare she is well built and has great bloodlines. She is a 16 year old mare and has a great temperament. She is an absolute sweetheart on the ground easy to catch and saddle and loads great in the trailer. She has a ton of professional training and was previously owned by a trainer and knows all the fancy cues. She has been used in 4-h, on trails and also done some gaming and sorting. No problems going over or through anything like streams, lakes or bridges and has also been through the Oregon horse center trail course multiple time. She is UTD on vaccinations and feet and in great health. She has never taken a lame step, she has good feet and does not require shoes, no buck, rear or bite and would make a great kids horse looking to excel in 4-h, trail or gaming. If you have any questions please message me at 541-643-4662.
