ELA Soundness Policy: As Is

Ms Starry Skies is a Black Clydesdale, Mare. She stands 16.2 hands and is a sweet heart. Anyone can handle and ride. Has been used for therapy and kids rides. She was also broke to drive but it's been some time since she's been driven. She rides double or single. Bareback or saddle. Truly a gentle giant. Very easy to catch. Stays in most any fence. Not. A mean bone in her body. Very personable. She has produced many babies and is an excellent mother. UTD on everything. Loads and hauls with ease. No bad habits.
