Description

ELA Soundness Policy: As Is

6 year old QH gelding. Waylon (EZ to Admire) was shown by his previous owner's teenage daughter, English and Western. He was also triple registered with AQHA, International Buckskin Horse Association as well as Palomino Horse Breeders. I have used Waylon for trail riding which he enjoys, he does better with other horses than alone. He is just not getting the attention he deserves from me. Any questions, Sharon (303) 638-3531. He has ringbone on left front but with shoes he has not had soundness issues for me.
