Story Kenna is a 3yo grade filly. She is good on the ground and has been ponied a handful of times. She lunges and loads in the trailer and also had a bareback pad introduced. She is not broke to ride but has all the tools someone needs to get her started. She can be wary of new people ...

Description

ELA Soundness Policy: Covered

Kenna is a 3yo grade filly. She is good on the ground and has been ponied a handful of times. She lunges and loads in the trailer and also had a bareback pad introduced. She is not broke to ride but has all the tools someone needs to get her started. She can be wary of new people and needs work on picking up her feet. She has not had any vaccines to my knowledge
