Rip is Cookie's perfect counter part. We have had him his whole life and he was halter broke and broke to ride by our daughter. Rip has a great mind is gentle and has been very easy to train. He is good to saddle, trim, stands quiet, and loads in the trailer. Rip has been rode outside, to town, been ponied by a big horse, and used to rope the dummy of off. He is used to tarps, dogs, pigs, four wheelers and plays with the big ball. Rip rides off alone or in a group, he walks, trots and lopes without being pedaled along, has a good stop backup, and is starting side step. This pony is the real deal NO BITE KICK OR BUCK and is not pony sour in anyway. FMI call 2085392206 or go to Hutchings Quarter Horses on Facebook for video
