RD has been used in all aspects of ranch work. He is as solid and finished as they come. He's been roped on outside, branded thousands of calves and trotted through numerous sage brush. It will not be hard for him to cross over to the arena and make a team roping and/or breakaway horse. He's good to shoe, doesn't pull back, stands to saddle and bridle, and is well mannered. RD is sound, sane and ready to go. I am only selling him because I have a lot of young ones coming up that need rode.

**Quantity:** 1
