Rey is a super cute coming 3 year old roan quarter horse filly who is half sister to jay and boon. She is 14.3 hands tall and growing. Rey, jay, boon have all been ranch raised. They are all halter broke. They were part of a dispersal sale from boardview ranch. Lavonne passed away and all the horses are registered however their papers got mixed up and no one knows which papers go to which horse which is why they are selling as grade. They are Rey jay boon bred who is 5 panel negative. These are really nice reining and cutting bred colts with a lot of foundation bloodlines. They will excel in reining, cutting, roping. If you are looking for a fancy Sound prospect check out one of these.
