

Sale Name: March 11th Horse Auction

LOT 38 - Pilsbury Doughboy - 4yr - 14.3HH - Gelding

ELA Soundness Policy Covered

Registered Yes

Breed APHA

Sire TR Allstar CK

Dam Shez Addicted To Love

Story Doughboy is a 14.3-15 hand 4 year old APHA registered gelding. Toto has an excellent and solid start on him and is ready to go in just about any direction. He has been ridden in many different arenas, out on trails and doesn't act fresh. Without fail, he's always the quiet, willing gelding we know him as. Ride him bareback or with a saddle and in a halter, bosal or snaffle, other than getting better with every ride, he is the same sweet guy. Pack a flag, swing a rope, lead a steer- Toto will give 100% no matter what he's asked to do. When riding in a group he'll lead or follow, but is every bit as ready and mellow to go out alone. Absolutely no buck and is definitely not spooky. He isn't herdbound and he stands quiet tied. He's been ridden and handled by kids both experienced and novice and never takes a wrong step. This is the horse people dream of being able to advertise- he has no faults or hidden quirks. Other than being in the middle of a growth spurt and being a little light and a touch gangly right now, this is one of the best and most honest colts we've ever owned. UTD on vaccinations and worming, was trimmed March 8th. If you have questions or want to try him out at our place before he arrives at the sale we are more than happy to answer questions or set an appointment for a showing. 541.777.7119
