Description

ELA Soundness Policy: Covered

Skittles is a cute pony mare that we have done everything with! She rides great outside and goes everywhere you ask. We have gathered and sorted cattle on her and taken her many miles down the trail. Skittles rides out on a loose rein, goes in a group or out alone and is fun to ride. She crosses creeks, bridges, downfall, goes over rocks and through all the thick brush. We ride her down the ditches by the highway, out to check the mail and even carried in the big ups boxes that were at the gate. She doesn't care what you ask her to do she is more than willing. Skittles is good to clip, bath, stands tied without a fuss, she jumps right in the trailer and stand for the farrier. We have ponied other horses off her, open and close gates and she crosses all the obstacles. Skittles walks over the trap, lets you put it all over her, we push the ball all over the arena and bounce it everywhere, she is good with carrying the flag and dragging the barrel. Skittles lopes around the arena nice and has a big stop. She moves off leg pressure and is soft in the bridle. Skittles is an outstanding pony that you can do just about anything on and she is gorgeous to look at. She is a one of a kind and we are proud to offer her here at the sale. Sound. Current on worming, vaccination and has a current coggins and health she is ready to go anywhere in the states. FMI Call (406)897-4717 tons of videos on CS Performance Horses on Facebook.
