Story Marlowe, is a nice trail horse with lots of years left in him. My granddaughters have ridden and enjoyed him this past year. He is her because I have two young horses coming out of training that's going to take a lot of time. Marlowe doesn't need to retire at this point in his life. So someone else can enjoy him. As my granddaughters have moved out of state. Lesa 360 606 5504
