Breed GRADE - Not Registered

Story Shadow is a 4 year old Skipper x Gunsmoke mare. Half sister to Bam, cosigned to the auction as well. She sells Grade. We are told she has had 1 foal on an accidental breeding and was an excellent mother. Shadow is in your pocket type, a true love bug. She is a hard one to part with but we no longer have the time to continue her training. Shadow has had around 5 rides with no buck, bite, kick or funny business. She is halter broke, leads, ties, and tacks up. All she needs is more miles. She's truly a diamond in the rough. 541-905-7848
