ELA Soundness Policy Covered

Registered Yes

Breed AQHA

Sire Johnny Pepto

Dam Red Scout Chant

Story This handsome gelding stands 15 hands, weighs in at #1250 with all the looks and build you could want. He has a long resume to go with his looks and breeding. Used on a large feed yard in the Sandhills of Nebraska for several years. Has preformed all types of jobs there from shipping cattle, to riding pens and pulling sick cattle. He went to a ranch in central Nebraska where he was a main mount for the owners and furthered his list of duties preformed. He has seen lots of open country and countless long nights during calving. Doctored cattle on the outside, and roped some in the arena. He is not spooky to ride, he has a good slow lope, takes both leads and stops hard....
