Gucci is a 10 yr old 15.Hands bay grade mare. Paso Fino x Holsteiner There is so much to say about her. She is beautiful with an amazing confirmation and with very long mane and tail. She is low in the pecking order. She wants to be friends with everyone. She's an easy keeper, not hard on fencing. She has an old scar on her back foot from getting caught in a fence. Does not bother her. With a long main and tail that she comes with she is well used to being pampered. She is used to the hair dryer being brushed and braided on the daily. Nothing spooks this mare when you are in the saddle. Been around the mountains down really rocky steep terrain she handles her self with ease, rode through town many times traffic does not bother her at all. She is well used to many dogs small and large , motorcycles and quads. She can be pushy on the ground just doesn't understand personal space. She is the type that will follow another horse out on the trail all day long she can be buddy sour. Has been hauled all over to many different places , does really well in new areas. Very solid sure footed trail

horse. Does just fine in the arena walk trot Cantor usually has that “mare face “. She is a smooth ride in the arena not fancy broke by any means but easy to ride and comfortable out there. She’s handy on the ranch just throw some spurs on to keep her moving she can be on the lazy side , will take advantage if she can. This horse has a really nice build and look to her. She definitely gets you noticed wherever you go always lots of compliments on her long mane and beautiful head. Has been rode by a 10-year-old girl up in the mountains swimming in the pond and out and about on weekly trail rides. Loads right up in the horse trailer, hasn’t offered to pull back or do anything dumb like that, good for a bath. Currently has a full set of shoes on. Current on vaccinations, worming, health certificate and Coggins. crfobert@gmail.com
