Story Little girl is an 18-year-old Ranch horse she has been used on the trails and on the ranch. She may be small but she is mighty and will drag pretty much anything you put behind her. She is approximately 14.2 hands and weighs around 950 lb. Little girl is fairly broke would recommend a experienced rider due to her having some pep to her step. She has done a couple gym cannas and did well but would not consider her as patterned. Don't let her age fool you she may be 18 but she has not had a ..
