Blue is a 16hh non-registered blue roan gelding. He has a puppy dog personality and is one of the first to greet you in the pasture, Our kids can run around him without him spooking and he loves the attention. He stands well for the farrier, loads, ties and baths without issue. He has a smooth gait and I rode him western. He just had his feet done. He takes an advanced rider as he tests his rider frequently. He would do very well with consistency and with someone who will go out and give him all the love and affection. jkari@g-c.com - 541-285-4056.
