My sweet Josie girl is nine years old 14.hh she is the sweetest thing you will ever come across. She absolutely craves attention loves people and kids super easy to handle, and just has the most wonderful ground manners. Stands tied for body clipping, good for getting her feet trimmed, she's good for a bath, trailers perfect, and also makes a wonderful guardian for your smaller livestock. She does great with sheep goats donkeys and mules great with horses I don't have anything negative to say about this sweet kind a girl I am sadly put in a position where she needs to find a new home. She is broke under saddle, and I've had smaller kids ride her around she could use some more fine-tuning in the bridal but does wonderful for any lead line, also does wonderful being ponied up in the mountains, Josie has been used for small packing trips, she's been to the beach, on week long overnight rides. She is extremely easy to deal with. Put her somewhere tie her up and she is fine no fuss, she is safe with the kids out in the field with her she is just a doll. She has been turned out with my miniature Jack for the last couple months but I think he was a little short lol. Josie is the easiest pet you will ever own, she's one that I never have to worry about causing issues. She is a go with the flow make friends hang out kind of gal. Please take Josie home and let her be part of your family. 707-533-3087
