

Sale Name: October 14th Horse Auction

LOT 121 - Sky - 13yr - 14.2HH - Mare

ELA Soundness Policy Covered

Registered No

Breed GRADE - Not Registered

Story "Sky" is a sorrel, 13 year old, Quarter Horse/ Tennessee Walker mare standing at 14.2 hands high. If you're looking for a family horse, Sky is your girl! She's excellent with kids, and can babysit them while you do chores. Or you can take her down the trails yourself without a worry. She's the same horse every ride. Sky doesn't neck rein, but otherwise is very well broke. She collects up very nicely, and works easily off of your legs and reins. After sitting in the pasture for the majority of the past year or so Sky prefers to be with her pasture mates, but has

"Sky" is a sorrel, 13 year old, Quarter Horse/ Tennessee Walker mare standing at 14.2 hands high. If you're looking for a family horse, Sky is your girl! She's excellent with kids, and can babysit them while you do chores. Or you can take her down the trails yourself without a worry. She's the same horse every ride. Sky doesn't neck rein, but otherwise is very well broke. She collects up very nicely, and works easily off of your legs and reins. After sitting in the pasture for the majority of the past year or so Sky prefers to be with her pasture mates, but has no other faults. She gets along great with other horses, is easy on fences, and easy on your eyes, too. She's also good for

the farrier, and stands tied very well. This is a sweet little mare you don't want to miss out on! Sky sells at no fault of her own. Her owner simply wants to find her a new home so she can get the attention she deserves. Sky is UTD on vaccinations, dewormer, hoof trimming, and has a current negative COGGINS test. If you have any questions about this lovely mare, don't hesitate to reach out. Katie Wilson Top to Bottom Horsemanship 503-689-4162 wilson.katie.tbh@gmail.com
