Story Blondie is a big pretty Palomino mare not Mare ish Extremely broke and has had a rope swung off her, one owner and one rider her life. Very nice to ride out on pasture gathering cows, she has been turned out for 7 years and I just got her back and have been legging her up. she can be coldbacked and needs experienced rider , I own both her half brothers and they are exceptional head horses, she could easily make a rope horse if you can get the hump out of her, I'm just getting too old to keep working with her, vaccinated
