Story Cheese is a really sweet flashy mule. He really loves attention and is the first to meet you at the gate. Not spooky, no buck bite or kick. He loves the kids to groom Him. They play all around him out in the pasture and climb on him. K8ds catch him saddle him and pick his feet. He is fine with dogs, tractors atv, just general farm life. He gets along with the others in the pasture. Cheese saddles up and packs as well. He rides the little ones but is very stout and packs me(200 lbs) easily down the trail. Cheese is for sale at no fault of his own. I was injured and have an extensive surgery recovery. He ties loads and is good for the farrier. dfellows1011@gmail.com
