Story Hoover is the kindest, gentlest horse EVER! He is SAFE. Hoover loves going on trail rides, he will go anywhere you point him, through water, over bridges, he is easy to take camping, doesn't mind new environments at all. Hoovers favorite speed is walk but he will trot and lope with a little encouragement. Hoover is also experienced in driving, single or double. He stands tied great, easy to shoe, jumps right in the trailer. I honestly can not say enough good things about this lovely horse. If you are looking for a safe reliable guy to enjoy, look no further!! Please call Shauna with any questions you may have 541-226-8994.
