LOT 4 - Fivle - 5yr - 38inches - Gelding

ELA Soundness Policy Covered

Registered No

Breed: No

Story Fivle is a 5 year old mini gelding who has not had much handling but runs with the big dogs like he is the leader of the pack. He wants to please when worked with and does his best to be a good boy. He is beyond an easy keeper and is so easy to handle despite not being handled much. He can be a stinker to catch in pasture but has not been worked with consistently on this. He needs someone that can dedicate time to him and we will make a fabulous kiddos mount or pet. He stands tied, loads in the trailer, picks up his feet. He is pretty skiddish but comes around quickly. Fivle LOVES kids and will make an awesome kids mount with some training....
