**Story** Aleena is a beautiful approximately 15 year old red dun mare with a coat that glistens with gold. She has loads of reining training under her belt and won money in her early days. She spins and stops on a dime and does anything you ask her to do. She can be turned out for years and saddled up and ridden with no funny business. She is phenomenal on the ground and in the saddle. She picks up her feet by pointing and voice command. She stands tied all day long. Loads and hauls excellent. She is an easy keeper on pasture or stall. She is as sweet as can be. Aleena would make an amazing broodmare or lighter riding horse as she is sore in her front.....
