Rare opportunity to buy a gelding of this caliber. Elmo is a complete horse with a soft pretty eye that is young, well bred, trained and safe. He has an extensive show record

with 24 AQHA youth points, 2 AQHA open points and was shown at the 2020 AQHA world show in western pleasure.

Elmo's has also been shown in trail and hunter under saddle at AQHA shows. Other than being a great gelding in the show pen he's also a great to ride outside and along the trails. Elmo would be perfect horse to put back in the show ring and get yourself or kid the opportunity to show at the world show and become a world champion. If your just looking for a gelding to trail ride and enjoy, Elmo also has lots of miles trail ridding, ridding through the pastures and quick trips through the neighborhood. Elmo is a great horse to keep in the barn, no cribbing or weaving in his stall. Elmo stands great for the farrier, loves attention, hauls great, loads, unloads, you name it. This gelding is very special and whoever gets him will enjoy and love him dearly every day that they own him. There isn't a mean bone in Elmo's body, no buck, no funny stuff, no special feeds needs, or allergies. Elmo is the kind of horse you treat like a horse, he's not high maintenance at all. Elmo is up to date on all vaccines, teeth and shoes. He is ready to go to his new loving home.
