Come by and meet, Dream Beyond Realism, aka Royal. Royal is a 16 hand, 16 year, registered APHA gelding. Royal has a big teddy bear personality and absolutely loves attention! The kids have mostly ridden him around the house and in our arena and he

does great with them. He's been around dogs, four wheelers and tractors. He loads and hauls great and is always the first to meet you in the pasture. The kids crawl all around him, my daughter has thrown a rope off of him and it doesn't faze him. With his very laid back personality, being more whoa than go, we could see him excelling in the showring with a youth rider or in 4H. My daughter likes speed so he just isn't being used unless we have guests over so we have decided to sell him, hoping he'll find a kid of his own. Coggins is current, dewormed, vaccines current. 5418488598
