If you're looking for your next winter project look no further! What more could you ask for? Color, size, confirmation. smooth gait, solid feet, she's got it all. Molly has crossed ditches, water, bridges, and logs, She does great following along or she can lead the way. Molly has roughly 30 rides of arena training. She is soft in the bridle, solid walk trot canter, transitions off of your seat, started on yields and wants to stop in the ground. Ropers and barrel racers don't pass this girl up! Molly ties, bathes, clips, loads, backs out of the trailer, stands great for the farrier, stands to be saddled, drops her head to be bridled and stands to be mounted. Selling sound.
