big, kind, beautiful and you couldn't ask for a better set of papers. Amos is bred to run with the best of them down the Thomas & Mac but you wouldn't know it unless you asked him, he is as gentle and easy going as they come. Famous Amos is nicely broke, rides around correct and quiet and has all the buttons to take you any direction. He's been hauled to races, seen all the sights and done time onlies. He is ready to be in your trailer this summer and get seasoned. Amos ties, hauls good, stands for the farrier and doesn't get fresh with time off. There's absolutely no buck bite or kick to him. I can't say enough about this big yellow gelding. Whether you're looking for your next barrel horse, or something you trust to pack you and the family down the trails- Amos is your guy!
