LOT 26 - Peanut Butter - 13yr - 13.2hh - Gelding

ELA Soundness Policy Covered

Registered No

Breed GRADE - Not Registered

Story Peanut butter is a handy sized little guy that is fun to ride and be around. Peanut butter rides just as good or better than most big horses. Peanut butter will go anywhere you ask of him to go through all obstacles in the arena and along the trails. Peanut butter doesn't saddle up fresh or gets humpy. I've used peanut butter the last month yarding back cattle and loading trucks at the cattle auction and he's done great with that. He will make a great step up horse as well 541-605-1201
