**LOT 74 - Howard - 7yr - 15HH - Gelding**

**ELA Soundness Policy** Covered

**Story** Howard is a very friendly and kind Tennessee Walker gelding. He is broke to ride. He is very gaited and fun and smooth to ride. He rides great in the arena and outside. I've ridden him on the ranch to gather horses and cattle in very steep and rocky country. He has also packed a "million" miles. He is quiet and stands tied all day. Easy to catch and gets along with other horses. He is not barn or buddy sour and will ride out alone without issues. He does cover some ground and is extremely gaited and naturally does it! Loves attention and having his super thick and long mane and tail braided! Really super nice gelding...
