Sire Streakin First Dash

Dam Pajarito Rose

Story Maverick is handsome as they come, broke to ride the very best, has been started around the barrels, then turned into a ranch horse. Maverick is very stout made and has the tools to continue make a excellent head horse or barrel horse. Maverick is bred to run and have cow sense as well, Maverick will ride quietly on a loose rein, lopes around very quietly, smooth and fluid. He does whatever his rider ask him to do and go anywhere you point him just show him the way and he goes. Maverick is great in the mountains, branding pen and can run cattle down outside. You can rope ...
