LOT 30 - Opies Pinch Of Fox - 11yr - 15.1HH - Mare

ELA Soundness Policy Covered

Registered Yes

Breed AQHA

Story Foxy is a nice sorrel mare that was used for breeding but is rideable and is being rode this year, she is just green broke so a moderate to experienced rider would be best. She has had her feet worked with and trimmed but hasn't had any type of shoes she would be great for anything but right now she is being used to cowboy on she can be a little bit hard to catch in a big field and is a little skittish about some little stuff but gets over it pretty quick besides that she is a great horse!
