Story Big Daddy is a gentle giant. 16.1hh Grade (Drafty Quarter horse type) Was used on the ranch most of his life and is a been there done that kind of horse. Stands tied quietly and all day if needed. loves being brushed, amazing for the farrier, light in the mouth and on all his leg Q's. He rides in a hackamore or even just a rope around his neck. Smooth trot/lope, side passes, moves off legs. Not a horse you can let sit in the pasture, he does need consistency since he tends to get lazy. I'm parting with this horse due to the maintenance i cannot give him.....

I'm parting with this horse due to the maintenance i cannot give him. He needs regular injections in his

front legs for some arthritis. has a large lump on right armpit but it doesn't bother him. Vet looked at it and wasn't concerned. danleyrene@gmail.com
