There is not a mean bone in his body, he truly is the sweetest horse I have ever been around. Will ride on a loose rein or move out if you ask him to. One hand broke, moves off your legs, spins around, slide stops, lopes correct easy circles. This horse is ONLY being offered as the owners are going another

direction. There is no holes in this horse and he is exactly what we say he is. Nice straight legs, never had any injuries or health issues. Sound and healthy. Boss is the first one to meet you at the gate, great with other horses, trailers great, and stands tied or cross ties. Baths and clips as well.
