Breed AQHA

Story 004 AQHA Grey Mare. ELS Barbee Doll. 14.3 Hands and stout. Bred by Shelton Quarter Horses with Jackie Bee breeding. This mare has nice feet and good bone. Was used as a broodmare throwing blacks and blue roans. We've used her as a trail horse for the last couple years. Loads, good ground manners, crosses water, quiet around other horses. Soft in the mouth and works off your leg. We've ridden her 12 miles to the winery crossing cars and people. She stands quiet for hours to the tree while we eat. She has gone through the mountain trail course unfazed. Needs experienced rider as she has tested her riders. Had a recently 60 day tune up. Feel free to ask questions about her
